This February another group of students will graduate from Gilgal Theological Seminary, many of whom will go on to minister to places in India that have no church and that have never heard the Gospel.

We would love to bless them with a wonderful, memorable graduation and commissioning for mission. It is a life-changing, landmark day for our students.

We would like to raise £1700 before February to cover the cost of the celebrations. Can you make a gift towards this total?

As well as conferring the various degrees and awards, we love to bless the students and their visiting families, and say a special thank you to the teachers and staff. In particular it is a chance to show honour to the young men and women - often from the poorest backgrounds you can imagine - who have already given so much, worked so hard, and whose hearts are set on sacrificially serving the Lord and the poor.

Can you help us make this day as special as possible?
